MATERIAL SAFETY DATA SHEET

AQUA FLASH PRIMER (Solvent, Non Hazardous)

Identity (As used on Label) AQUA FLASH PRIMER

SECTION I

Manufacturers Name

Clark/Hammerbeam Corporation
886 Washington Street
Dedham, MA 02026

Emergency Telephone Number

(781) 461-1946

Telephone Number for Information

(781) 461-1946

Date Prepared

January 2008

SECTION II: Hazardous Ingredients/Identity Information

Hazardous Components (Specific Chemical Identity: common Name)

	CAS#	OSHA PEL	ACGIH TLV	%WT
Petroleum Asphalt	8052-42-4			65
Petroleum Distillates t	64742-48-9			35
VOC content – does not exceed 300g/L				

Degree of Hazard: Health 1 Flammability 2 Reactivity 0 Special Hazard 0

Scale: 4= Extreme 3= High 2= Moderate 1= Slight 0= Insignificant

SECTION III: Physical/Chemical Characteristics

Boiling Point	NDA
Vapor Pressure (mm.Hg.)	NDA
Vapor Density (air=1)	NDA
Solubility in Water	Insoluble
Appearance and Odor	A thick black pourable liquid with petroleum odor
Specific Gravity (H₂O= 1)	NDA
Evaporation Rate (Butyl Acetate =1)	1

SECTION IV: Fire/Explosion Hazard Data

Flash Point (method used)	100 degrees Fahrenheit + TTC
Extinguishing Media	Any approved extinguisher for oil fires. CO ₂ , Dry Powder, Water Fog
Special Fire Fighting Procedures	If entering a confined area, you should use NIOSGH self contained breathing equipment
Unusual Fire Explosion Hazards	None known. Do not heat material- keep away from open flame Keep lid on Container when not in use.

SECTION V: Reactivity Data

Stability	Stable
Incompatibility (materials to avoid)	Contact with strong oxidizers
Hazardous Decomposition	Carbon Dioxide Carbon Monoxide may occur
Conditions to avoid	None known
Polymerization	May not occur

SECTION VI: Health Hazard Data

Routes of Entry	Skin, Ingestion, Inhalation
Health Hazards (Acute & Chronic)	
Acute	See Below
Chronic	None Known
Carcinogenic- No	NTP- NDA
Signs & Symptoms of Exposure	IARC Monographs- NDA OSHA Regulated- NDA
Eyes	Contact may cause irritation
Ingestion	May cause nausea, dizziness and/or vomiting
Breathing	Respiratory irritation. Nausea, dizziness, headache.
Skin	Mild irritation. May cause dry scaly dermatitis

Material Safety Data Sheet- AQUA FLASH PRIMER

Medical Conditions Aggravated by Exposure- Eyes irritation Skin-rash Inhalation-headache/dizziness Ingestion
-nausea/vomiting

Emergency & First Aid Procedures:

Eyes

Flush with large amounts of water

Skin

Wash area with soap and water

Ingestion

Do not induce vomiting and seek medical help

Medical help may be required on all above problems

SECTION VII: Precautions for Safe Handling and Use

Steps to be taken if material is spilled- Contain spill with earth, dry sand etc. Pump back into container or soak up with absorbent material. Clean up contaminated absorbent or diked material and place in container for disposal.

Waste Disposal Method- Waste should be disposed of according to federal, state and local regulations.

Precautions to be taken in Handling & Storing- Do not allow to freeze

Other Precautions- Do not swallow material. Keep out of reach of children

SECTION VIII: Control Measures

Respiratory Protection (specify type)

NIOSH approved cartridge respirator with organic vapor cartridge if other controls are not effective

**Ventilation – local exhaust
mechanical**

None normally needed

Protective Gloves

NDA

Protective Clothing/Equipment

Rubberized cotton if needed

Work/Hygienic Practices

NDA

Remove contaminated clothing. Keep area clean and free of hazardous material

Eye Protection

Chemical goggles if spraying or splashing occurs

Other

NDA
