

# KUREZ RC-off

## CLEANER FOR REMOVING KUREZ RC AND KUREZ RC-100

### DESCRIPTION

**KUREZ RC-off** is a biodegradable liquid cleaner specifically formulated to quickly and easily remove KUREZ RC and KUREZ RC-100 concrete curing compounds at any time after application. KUREZ RC and KUREZ RC-100 are unlike traditional dissipating curing compounds in that exposure to UV light, traffic, and time to dissipate are not required for their removal. The blend of detergents in KUREZ RC-off are specifically formulated to cut through KUREZ RC and KUREZ RC-100, destroying the integrity of the curing compound, allowing it to be removed from the surface and rinsed away. After removal, floors cured with KUREZ RC or KUREZ RC-100 are clean and ready for the application of a sealer or other covering.

### PRIMARY APPLICATION

- Removal of KUREZ RC and KUREZ RC-100 concrete curing compounds

### FEATURES/BENEFITS

- Quickly removes KUREZ RC or KUREZ RC-100 curing compound from concrete at any time
- Biodegradable, water based formulation
- Waste does not require special handling or hazardous material disposal methods
- Also removes dirt and grease from floors, ensuring a clean surface ready for sealers or other coverings

### TECHNICAL INFORMATION

Typical properties measured at laboratory conditions, 70°F (21°C) and 50% relative humidity.

PROPERTY	RESULT
Appearance	Clear green liquid
Specific Gravity	1.04
Unit Weight	8.7 lbs/gal (1.02 kg/L)
pH, undiluted	12.5 - 13.5
pH, diluted	11.5 - 12.5
Dilution Ratio, by volume	1 part KUREZ RC-off to 4 parts water

### PACKAGING

KUREZ RC-off is packaged in 55 gal (208 L) drums and 5 gal (18.9 L) pails.

### SHELF LIFE

2 years in original, unopened container.

### COVERAGE

Coverage of KUREZ RC-off after dilution is 300 ft<sup>2</sup>/gal (7.4 m<sup>2</sup>/L).

For estimating purposes, one gallon of undiluted KUREZ RC-off will clean 1,500 ft<sup>2</sup> (139 m<sup>2</sup>) of concrete.

## DIRECTIONS FOR USE

**Mixing:** Before using, dilute KUREZ RC-off at a ratio of 1 part KUREZ RC-off to 4 parts water (by volume). Stir diluted solution well before use.

**Application:** Apply diluted KUREZ RC-off to the floor at a rate of 300 ft<sup>2</sup>/gal (7.4 m<sup>2</sup>/L).

Allow the KUREZ RC-off solution to dwell on the concrete for 30 minutes, adding more diluted KUREZ RC-off if necessary to keep the floor wet during the entire dwell time. Immediately after the dwell time, scrub the floor with an automatic scrubber equipped with stiff-bristle brushes. Remove all excess KUREZ RC-off solution from the surface, and inspect for complete removal of the KUREZ RC or KUREZ RC-100. If residue remains, repeat the process. Areas where KUREZ RC or KUREZ RC-100 has been applied too heavily or unevenly may need additional dwell time of diluted KUREZ RC-off or a more aggressive scrubbing process.

Allow the concrete to dry completely, or as required by the project specification, before applying a sealer, coating, or covering material.

## CLEAN-UP

Clean tools and equipment with warm water.

## PRECAUTIONS/LIMITATIONS

- Do not allow this product to freeze. Store between 40°F to 100°F (4°C to 38°C).
- In all cases, consult the Material Safety Data Sheet before use.

Rev. 4.10

**WARRANTY:** The Euclid Chemical Company ("Euclid") solely and expressly warrants that its products shall be free from defects in materials and workmanship for one (1) year from the date of purchase. Unless authorized in writing by an officer of Euclid, no other representations or statements made by Euclid or its representatives, in writing or orally, shall alter this warranty. EUCLID MAKES NO WARRANTIES, IMPLIED OR OTHERWISE, AS TO THE MERCHANTABILITY OR FITNESS FOR ORDINARY OR PARTICULAR PURPOSES OF ITS PRODUCTS AND EXCLUDES THE SAME. If any Euclid product fails to conform with this warranty, Euclid will replace the product at no cost to Buyer. Replacement of any product shall be the sole and exclusive remedy available and buyer shall have no claim for incidental or consequential damages. Any warranty claim must be made within one (1) year from the date of the claimed breach. Euclid does not authorize anyone on its behalf to make any written or oral statements which in any way alter Euclid's installation information or instructions in its product literature or on its packaging labels. Any installation of Euclid products which fails to conform with such installation information or instructions shall void this warranty. Product demonstrations, if any, are done for illustrative purposes only and do not constitute a warranty or warranty alteration of any kind. Buyer shall be solely responsible for determining the suitability of Euclid's products for the Buyer's intended purposes.
